BOOKMARK

Dear Friends,
I want to thank everyone who has joined as a new member or renewed their membership. Your continued support provides the funds needed to fur-

ther our mission of offering financial assistance to the library whenever and wherever it is needed. Although this will be the last printed newsletter until November, we will continue to keep you informed about all that is happening with the Friends and the library through our monthly email bulletins.

As we head into the summer season, I want to remind everyone that the library will continue to offer programs and activities for all ages. A highlight of our hot summer months will be the Summer Reading Program. Once again, the Friends are proud to provide funding for many of the events and special treats associated with this popular program.

Jerri Marsee joined the Friends Board 14 years ago to manage the membership database. Over the years, she diligently maintained accurate records, including member contact information and renewal history, ensuring reliable membership numbers when asked for by Charlotte County when they apply for library

plans, they include going around the world in whatever book I happen to be reading at the moment. I can't think of a better way to spend long, hot summer days.
See you around the library.
